TAKE A STEP FOR FAIRTRADE IN 2012 ...

is the theme for this year's Fairtrade Fortnight from Feb 27 to March 11. Fairtrade Fortnight is one of the highlights of the year, when thousands of people up and down the UK take action to raise awareness of Fairtrade. Every time you choose Fairtrade products, farming communities in developing countries take a step towards a brighter future.

The Fairtrade Foundation - with the help of thousands of faith groups, communities and businesses - is aiming to reach their target of 1.5 million steps by the end of 2012 - that's one for every fairtrade farmer and worker they aim to work with.

What will your next step be - buy an extra fairtrade product each time you shop? ask a shop to stock fairtrade products? hold a coffee morning to tell people more about fairtrade? You can find out more and register your 'step' at fairtrade.org.uk/step

A reminder too ...

that St. Gabriel's is a Fairtrade Church - like many others in the city and around the nation - which means we have a responsibility to use Fairtrade products at all our meetings and events - and encourage those using our premises to do so too.

We usually have a Fairtrade stall after the FIRST service each month - and there will be information on display during Fairtrade Fortnight in the church foyer.
